

*To Mrs. Caddick—My English Tutor*

*By Marcus Lander (1993)*

*Many a cherished memory still,  
I bear with gratitude,  
Of how you laboured to instil  
A thoughtful attitude.*

*I sometimes think about the way  
You always found the time  
To talk to us throughout the day  
Upon some theme of thine.*

*And how you managed to inspire  
Within our minds delight  
In English, and a strong desire  
To learn the skill to write.*
